FEP Deal-Finding Routine

French Equity Partners · Practice Nov–Dec 2026, calls from January 2027 (after the LLC) · Only areas already in the CRM

1. Where to look (Region 6 + Region 1 — your 39,098 agents)

Area	County (agents in CRM)	Cities to search on Zillow
Tampa Bay ring (Region 6)	Pinellas (10,431) · Pasco (5,905) · Polk (5,680) · Manatee (4,904) · Hernando (1,721)	St Petersburg, Clearwater, Largo · New Port Richey, Holiday, Hudson, Zephyrhills · Lakeland, Winter Haven, Bartow · Bradenton, Palmetto · Spring Hill, Brooksville
Panhandle (Region 1)	Bay (2,161) · Walton (2,108) · Okaloosa (2,027) · Escambia (1,942) · Santa Rosa (1,681)	Panama City · Crestview, Fort Walton Beach · Pensacola · Milton

Not Hillsborough / Tampa. New areas (Orlando, Ocala, Jacksonville) get added in January.

2. The routine (≈ 45 min, 2–3× a week on non-shift days)

Step 1 — Find (15 min) on Zillow

1. Search one city · For sale · Houses · max price ~$350k
2. Sort: **Days on Zillow** (oldest first) — or More → **Price reduced**
3. More → Keywords, one at a time: **as-is · estate · investor · cash only · TLC · handyman · motivated · needs work**
4. Pick 5–10 that have **60+ days** or a **price cut**, under ~$350k

Step 2 — Add to the CRM (20 min)

1. Deals → **+ New deal**: address, city, ZIP, county, beds/baths/sqft, list price, days on market
2. **Listing agent name + phone** + Zillow link (from the listing)
3. Calculator: **Zillow / Realtor / Redfin** estimates
4. Tick green flags from the description; tick red flags
5. Add 1–3 photos (screenshots are fine) · **Save**

Step 3 — Judge (10 min)

1. Guess the verdict *before* you look: **Send** (≤ $30k above exit) · **Underwrite** ($30–50k) · **Too high** (> $50k → Watching)
2. Write in Notes the one line you would say to that agent

3. Green flags to look for in listing descriptions

Words in the listing	Flag to tick
estate sale, inherited, probate, heirs, "sold as-is by family"	Probate / inherited (+3)
vacant, "easy to show", lockbox, overgrown in photos	Vacant / overgrown (+2)
60+ days on market (auto-ticks) · several price cuts	On market 60+ days (+2) · Price reductions (+1)
investor special, needs TLC, handyman, roof/AC needs replacing, cash only	Major repairs needed (+2)
tenant occupied, "great rental", lease ends soon	Eviction / tired landlord (+2)
back on market, expired, relisted	Expired listing (+2)

4. From January — add the calls (≈ 3 conversations a day)

1. Open **Today** → work down 🔥 **Hot agents** (best first). Calls 2–4 pm Florida = **7–9 pm UK**
2. Call about **that listing** first, then ask the off-market question
3. Log the call (dictate or voice note). The CRM sets the follow-up
4. Send = email the **Deal sheet PDF** to Nicholas · Too high = **Watching** (14 days, then monthly)

5. What to say

> **Opener:** *"Hi [name], I'm Julien with French Equity Partners — I work with cash buyers in [city]. I'm calling about [address]. I see it's been on a while — what's held it up: price, condition, insurance?"*

> **Off-market question (every call):** *"Do you have anything else like this, or coming up — inherited, a tired landlord, a listing about to expire — where the seller just wants it gone?"*

> **Too high:** *"My buyers would be around [exit price] cash, as-is, quick close. If it's still sitting in a few weeks and the seller wants a guaranteed sale, let's talk."*

> **Follow-up (Watching):** *"Just checking in on [address] — still available? My buyers are still around [exit price] if the seller's open to it."*

If the agent says "seller might do terms" → flag it for Nicholas (Subto). Never promise a price — Nicholas's team underwrites every offer.
